* Payment orders are processed through the IPS payment system, except for banks and payment institutions in the Republic of Serbia which according to the relevant regulations are not in the IPS payment system.

** In dinars by offer rate of the Bank on the day of transaction processing/account debiting..

*** In accordance with the business conditions established by international payment card associations, Cardholders may be charged for access fee when they withdrawing cash abroad, whether if it is a bank within the UniCredit Group or another bank. This fee is charged by the acquiring bank and UniCredit Bank Serbia JSC has no impact. Cardholder receives this information when he initiate transaction and he has the option to refuse or resume the transaction. If a user chooses to perform a transaction, this fee automatically increases the amount of required cash.

****When Cardholder uses his payment card from the Visa program at ATMs outside of the EUR zone, or at merchant point of sales outside the EUR zone, if the original transaction currency is different from Banks settlement currency (EUR) during conversion original ammount will increased by 2%.

***** **ATS** – a multifunctional cash deposit device, included descriptively in the tariff item only; it will become subject to pricing once the Bank implements the device and begins providing this service to clients

***** **SEPA (Single Euro Payments Area)** is a payment scheme that enables cashless payments in euro between participants within the SEPA area. • In accordance with Article 18 of the Law on Payment Services, fees for SCT (SEPA Credit Transfer) shall become applicable as of the commencement of SEPA payments and incoming transfers in the Republic of Serbia, i.e. as of 5 May 2026.
