

Disclaimer on Cryptocurrencies

UniCredit maintains a neutral stance on investments in cryptocurrencies and financial instruments with cryptocurrency underlying.

UniCredit does not currently promote or permit direct investment in cryptocurrencies.

In some UniCredit Group geographies, clients who are enabled for investment services on domestic and international markets—and whose MiFID profile permits it—may invest in financial instruments with cryptocurrency underlying.

UniCredit Bank does not offer investment services related to any products that reference cryptocurrencies nor cryptocurrencies.

UniCredit Bank will continue to monitor regulatory developments of the Country, the European Union, and international markets and may update this disclaimer accordingly.

About UniCredit

UniCredit is a pan-European Commercial Bank with a unique service offering in Italy, Germany, Central and Eastern Europe. Our purpose is to empower communities to progress, delivering the best-in-class for all stakeholders, unlocking the potential of our clients and our people across Europe. We serve over 15 million customers worldwide. They are at the heart of what we do in all our markets. UniCredit is organized in four core regions and two product factories, Corporate and Individual Solutions. This allows us to be close to our clients and use the scale of the entire Group for developing and offering the best products across all our markets. Digitalisation and our commitment to ESG principles are key enablers for our service. They help us deliver excellence to our stakeholders and creating a sustainable future for our clients, our communities and our people.
