### **UniCredit Leasing Serbia reached leading position on the market**

Despite numerous challenges that characterized both Serbian market and markets of the countries in the region and despite the lack of demand, UniCredit Leasing Serbia managed to take over the leading position, considering total financing value, on the local leasing market in second quarter of 2014. This leasing company has also improved its position in all financing segments comparing to the first three months of this year.

Due to the offer tailored according to the needs and preferences of the clients and competitive terms, UniCredit Leasing's total financing value created in second quarter of 2014 reached EUR 12.1 million, which represents four times bigger amount comparing to the amount of financing value in first quarter of this year. In this way, UniCredit Leasing has achieved 12.89% market share.

UniCredit Leasing is one of the leading companies in Europe with strong presence in 19 countries and over 3,000 employees. As part of leading financial institution UniCredit Group, it operates in: Italy, Austria, Germany, Czech Republic, Poland, Slovakia, Estonia, Hungary, Romania, Latvia, Lithuania, Russia, Serbia, Slovenia, Bosnia and Herzegovina, Croatia, Bulgaria, Turkey and Ukraine.
