### **UniCredit Leasing's special offer will last until the end of April**

During the 4th BG Car Show, UniCredit Leasing presented special offer for financing vehicles for legal and physical entities, which will last until April 30th 2014. Within the offer and due to collaboration with different vendors, this leasing company offers its clients Leasing Plus, an adequately solution for financing vehicles, with financing period of 60 months, at interest rates ranging from 2.99 %.

Per example, if client decides to use Leasing Plus in order to finance vehicle at a gross value of EUR 10,000, the necessary down payment would amount EUR 2,000, while the amount of net financing would be EUR 8,000. At nominal interest rate of 2.99% per annum and financing period of 60 months, monthly instalment would approximately amount EUR 143.

Besides Leasing Plus, UniCredit Leasing created Flash leasing for small and medium companies, which is characterized by fast and simple procedure and competitive interest rates. This product offers special benefits to start-up companies and companies which are conducting business for minimum of 6 months because it allows them to finance leasing passenger cars and light commercial vehicles up to 3,5t. Flash leasing is approved for vehicles in value up to EUR 30,000, for financing period to 60 months and down payment of 20%.
