UniCredit Leasing's special offer for purchase of new JCB construction machinery

In cooperation with Terra Serbia Ltd, UniCredit Leasing Serbia and JCB Finance created favourable terms of financial leasing for purchase of new construction machinery produced by prestigious world brand JCB. Namely, within the action, all legal entities have the possibility to, with fixed nominal interest rate of 0.99% per annum and financing period up to 24 months, procure mini and midi excavators capacity from 2 to 8 tons and in that way significantly expand their production capacities. This offer is valid until June 30th 2015.

The offer includes following models: 8020 CTS, CTS 8026, 8035 ZTS, 8055 ZTS, 65R-I and 85Z-I. JCB's mini and midi excavators are characterized by high usage in different work conditions, productivity, safety, excellent ergonomic conditions, which are reflected in the very high level of control of equipment, excellent visibility from the cab and low noise and vibration. Therefore, it is not surprise that sale of JCB's mini and midi excavators records continuous growth year by year.

For example, if clients decides to purchase excavator with gross value of EUR 82,740, minimal down payment will amount EUR 27,580, while with fixed annual nominal interest rate of 0.99% for financing period of 2 years, monthly installment will amount EUR 2,322.11.
