

## Press Release

Belgrade, 10<sup>th</sup> March 2017

### **UniCredit's International Internship Program**

**The chance for students from Serbia to spend three months in one of the leading banks in Europe**

UniCredit and Universities Foundation is opening, for the fourth consecutive year, International internship program where 25 students from Europe, including the ones from Serbia, will have the opportunity to spend three months as interns in banks member of UniCredit Group in Austria, Bosnia and Herzegovina, Czech Republic, Germany, Hungary, Italy, Romania, Russia and Serbia. The internship will be held in the period from June till August 2017. On this occasion, for selected students UniCredit and Universities Foundation will cover the travel costs, costs of visa issuance and other in the amount of up to EUR 1,000. In addition to this, participants will be provided with monthly allowance in the amount of EUR 700.

Students of different educational backgrounds, enrolled in at least the second year of study, can apply for International Internship Program in banks within UniCredit Group. It is essential that applicants are citizens of one of the countries where UniCredit operates, among which is Serbia. Applications can be made exclusively through the site [www.unicreditanduniversities.eu](http://www.unicreditanduniversities.eu). All documentation is necessary to be sent in English, in PDF format, no later than 26 March, and the Committee of the Foundation will select up to 25 interns by 2nd of May.

UniCredit Bank in Serbia also joined the program providing the internship for students from Europe specialized in software development (software developer).

More information about the educational profiles and the overall program can be found at the UniCredit and Universities Foundation web site - [www.unicreditanduniversities.eu](http://www.unicreditanduniversities.eu) .
