**Refresh your summer with new UniCredit Bank's Viber stickers!**

If your favorite "occupation is to be a tourist", then "everything is ready" for "a nice trip", "calm sea", to be "out of range" and to nicely "fry" in the sun. New UniCredit Bank's Viber stickers will refresh you during the summer heats and make everyday communication with family and friends more interesting.

UniCredit Bank is the first bank in Serbia that presented stickers. A total of 20 stickers for all users of Viber applications in Serbia, which in a witty way associate to a trip to the seaside, enjoying at the beach and sunbathing is presented. Stickers are available on Viber Sticker Market, and download is free.

In addition, UniCredit Bank has prepared a surprise for all those who start using new stickers. Namely, it is enough for all interested parties to follow the official [UniCredit Bank](#) Facebook page and send the pictures on how they use new stickers.
