UniCredit's Visa Platinum card for everything that matters

UniCredit Bank enriched its cards offer with Visa Platinum. It is a unique payment card that belongs to the Premium product category and it is intended for clients who lead a dynamic social life and who travel often.

The features of this card are reflected in the unique benefits provided in cooperation with exclusive partners around the world. One of the most important is certainly family travel insurance covering the entire world, up to 90 days for a year up to EUR 40,000. When we say family, we mean additional insurance for spouse and three children aged 3 months to 18 years, if they travel with a card user.

The so-called Lounge key as part of the Visa Platinum card, offers access to nearly 900 airport showrooms in more than 500 cities around the world with a fee of \$ 27 per use (in dinar counter value). In addition to food and drinks, other services such as free internet and magazines are included.

Besides that, payment with Visa Platinum provides the possibility of enabling the cheapest price for accommodation in over 200 hotels within Luxury Collection program, as well as the possibility for room upgrade without additional charges, free WiFi and parking, VIP guest status, late check out.

Visa Platinum card is internationally accepted card, which can be used for payment of goods and services on all POS terminals and bank's cash desks where Visa logo is placed, while at the same time, it has much higher limits than other standard products.

Visa Platinum cards holders have at their disposal a Contact Center for all emergency services in unpredictable situations such as emergency blocking of a lost or stolen card, emergency replacement card, info service related to necessary medical assistance, support in case of loss of travel documents or any other document, legal assistance and consumer protection during purchase.

Visa Platinum debit card is a part of Premium Account Package and for its use it is not charged additional fee nor membership fee, while the requests for issuance can be submitted in all UniCredit Bank branches throughout Serbia.
