Belgrade, June 10th 2019.

UniCredit Bank prepared special package of product and services for pensioners for all that matters

UniCredit Bank under the slogan Regardless the age, we live everything that matters, has presented to the market a complete set of products and services for the most experienced citizens, up to 75 years old. Besides that, Bank prepared special conditions that will be valid until August 9th.

All those who open the Account Package Senior will not be paying monthly maintenance fee. Within the Package, besides RSD and EUR current accounts, savings and deposit account, debit card, electronic banking, telephone service and SMS service, can count on Overdraft up to one pension, while for the amount up to RSD 12,000 interest rate will not be charged.

Dinar Cash loan with insurance with fixed interest rate will be approved without the processing fee. The fee for the insurance is also calculated in the loan price. Nominal interest rate is 13,50%, while effective starts from 15,10%. Repayment period is up to 84 months, and loan amounts are from RSD 20.000 to RSD 1.200.000. For example, if client decides to apply for the loan in amount of RSD 300.000 to a repayment period of 84 months, monthly installment during entire repayment period will be 5,573. 21 RSD.

Thanks to this UniCredit Bank campaign, all those who belong to the generation who knew how to enjoy life and organize their time so that there is always time both for obligations and for pleasure can continue to be active and live what is matters to them or those they love the most.
