### **UniCredit has won across several categories in the 2019 Euromoney Real Estate Survey- UniCredit Banka Serbia awarded for the best bank in „Loan finance“ category**

Euromoney published on 9th September the results of the Euromoney Real Estate Survey and UniCredit has been awarded in several categories.

In the “Bank” category overall, UniCredit has been recognized in the CEE region at large, as well as in Czech Republic and Hungary specifically. Furthermore, in the “Loan finance” category the bank was awarded in Austria, Hungary, and Serbia and in the “Equity Finance” category in Austria and Slovakia.

**Spas Vidarkinsky, Head of Corporate and Investment banking at UniCredit Bank Serbia**, said: “This acknowledgment serves to demonstrate and once again confirm the strength of our service offering. We are very happy that Euromoney, our peers and clients surveyed recognise UniCredit Bank Serbia as a best in class provider in real estate services”.

The Euromoney Real Estate Survey, now in its fifteenth year, recognises the leading providers of real estate products and services. This year the survey collected 3274 responses from 2175 firms in 76 countries.
